

17 Construction Squadron Workshop Vietnam Association

NEWSLETTER - September Edition 2010

What The Prez Sez

IMPORTANT NOTICE

As we get closer to our cruise we have found that there has been an apparent breakdown in communications. A number of people have informed us that they have not received newsletters, etc from the committee. For this, we apologize - However, much work has been done in the form of ring arounds, etc. so that members are made aware of the current situation.

Hopefully, this newsletter finds its way to all members.

One point that has come to our notice is the number of invalid phone numbers, address' email address, etc. that show on our current list. If you know of any member who has changed their details, please ask them to inform the web master on **040773343** or email: **alanpratt@wn.com.au**

Our reunion numbers are picking up and we now have a total of over seventy people attending the cruise.

There is still time for you to book, but make it quick.

John Fenton

PRESIDENT

Contact Details

If you have decided that you would like to attend please fill out the attached registration form and contact:

Dale Harris

02 9532 0923 home

0414 545 449 mobile

Please note that Dale will be overseas from the 21st September to 13th October.

Interstate Travelers

Many members will be travelling to Sydney from interstate and country areas prior to the cruise. It is the intention of the committee to locate a hotel where we can accommodate trav-

elers, hold our meeting prior to embarkation, then bus members to and from the hotel. We will also investigate caravan parks where you can park your van for the duration of the cruise.

If you are caravanning to Sydney, you will need to find

your way to the hotel for the meeting, depart the hotel on the bus, then at the end of the cruise you will be dropped off at the hotel. From there, you will need to find your own way back to the caravan park.

What we need to know

If you require accommodation and/or a caravan park bay, please email the Secretary (Snowy Whykes) at gwhykes@gmail.com or telephone: **(08)92761920**. He will need to know the following:

Method of travel: Air, Bus, Car, Walk.

Date arriving

Date Departing

Do you require accommodation prior to and at the completion of the cruise?

Do you require a caravan bay?

Once we have an idea of numbers, the Secretary will begin to organise the actual details and we will send out costings, timings, etc.

Please notify Snow by the 15th of October at the latest, if you are in need of accommodation or will be using the bus facilities from the hotel.

It is suggested that you contact Dale Harris for your air travel if you do not have a Travel Agent of your own.

The Secretary will communicate with Dale Harris to ensure that all travel/accommodation is at the best available prices.

You will be notified of the cruise departure details in forthcoming newsletters.

The cruise departs Sydney on Friday 29th April 2011 and returns on Monday 2 May 2011.

Vale

It is with deep regret that we inform members of the passing of another of our mates, Cedric (Fred) Farley. Fred was the Ordnance corporal at Nui Dat in 1968. Another of our fine diggers has gone.

Lest we forget
